## Networking

Help our London team reach out to new networks and connections to promote and grow our projects around the world

## Admin

Support WONDER's London office on a Friday through marketing, financial or administrative project support

## Sales

Work in small teams in our office to draw up a sales pitch for a large cosmetics brand. Or approach local Brixton business for partnerships

## Copywriting

Remotely or from our London office, support our team with copywriting for our online channels, grant applications or press articles

## Workshops

Gather your team to run a skills or technical workshop for Baytree beneficiaries in London

## Press

Spend the afternoon in our London office working with our team on great new stories to promote to local and national press.

## Graphics

Remotely or in Brixton, if you have skills in Graphics or video editing, help us bring our projects to life for our audiences.

## Research

Learn about WONDER's projects and promote these to relevant networks. Explore groups who's visions align with WONDER's own work.

## Campaigns

Gather your team for an afternoon of mind mapping great campaigns with the WONDER team and growing existing drives

## Fundraising

Bond with your team through a walk, run, cycle, quiz or karaoke night whilst raising money for women and girls.
